Reach truck operator - 2 shifts

Full-time

Puurs-Sint-Amands

What you are going to do

Description of the job

Do you have experience as a reach truck driver? As a reach truck operator are you accurate, organized and you can work under time pressure? Then you can get started!

Your main tasks:
- Safe transfer and storage of products using reach truck,
- Picking the orders with the hand scanner,
- Performing other logistic tasks in the warehouse, if required.

What we ask for

- You have valid reach truck certificate and minimum 6 months of experience,
- Communicative Dutch and / or English,
- You are flexible, if you will be asked to perform other tasks,
- You work efficiently with the safety and quality standards and treat your reach truck with respect,
- You live in the area of Puurs and have your own transport.

What we offer

- Working in two shifts (6 am - 2 pm, 2 pm - 10 pm),
- Attractive shift bonuses,
- Employee benefits such as a food vouchers and travel allowance,
- Chance of permanent contract.
